

Chris Tauskey

Field Scientist

3157 Limestone Rd, Cochranville, PA 19330

Office: 610.593.5500 | Direct: 610.806.5291 | Email: ctauskey@bstiweb.com

Areas of Specialization

- Federal and State agency compliant groundwater, soil and vapor sampling programs
- Remediation system operation and maintenance
- Graphic data presentation through ArcGIS
- Potable water sampling and root cause analysis

Overview of Project Experience

- **Remediation Specialist Responsible For System Operation, Maintenance, Troubleshooting, Data Analysis and Treatment System Optimization** - Technologies include air sparge/soil vapor extraction, pump and treat, carbon adsorption, LNAPL/DNAPL recovery and thermal/catalytic oxidation on multiple project sites.
- **Safe Drinking Water Management Program, School District of Philadelphia, PA**—Implementation of a safe drinking water management program for the School District of Philadelphia. Responsible for the coordination, oversight, and collection of approximately 6,000 drinking water samples from 252 schools in Philadelphia.

Education

B.S., Environmental Science
Temple University, 2018

Registration/Certification

Geographic Information Systems
Certificate - Temple University

Environmental Professional Training
Certificate - Temple University

40 Hour OSHA HAZWOPER

10 Hour OSHA Construction Safety

Permit and Non-permit Confined Space
Entry - OSHA 29 CFR 1910.146 Training

Qualified Electrical Worker and NFPA
70E Training

Activities & Awards

Temple University Dean's Scholarship

Boy Scouts of America: Life Scout

Temple Geology Club
